Sir,

Notification No 326 dated 13th March 1874 empowers all Officers not below the grade of Amildar to punish cleanness Offences on the revenue side with a fine not exceeding Rs 10/-.

The Amildar of Shimoga in which has the subkhere channels under his charge solicits instructions as to the manner in which the fine if not paid should be recovered as no rule on the subject seems to have been laid down -

The fine in my opinion may be

be levied as a revenue demand,
but in order that the procedure
may not be more rigorous in
these petty cases than in
Criminal cases wherein the
fine imposed is levied under
the Code of Criminal Procedure,
it will be sufficient if only
moveable property other than
agricultural implements and
plough bullocks is distrained
and sold.

A definite ruling to this
effect is however needed.
